HOW IT WORKS

All custom products under the PRODUCTION SERVICES segment are made-to-order and only produced upon request. Please fill in the tech pack with your data so it gives a detailed description of your item. Should the tech pack not cover certain aspects of what you want, feel free to add comments for us to review its feasibility. Include any drawings or additional documents in the annex.

Email your completed tech pack to info@opulentworth.com.we will arrange a call if needed.

**You have the option to order a sample, read infos here
<http://opulentworth.com/pages/sample>.**

Approve the final, production-ready tech pack and confirm your order. Production will commence once we have received your payment. After the products pass our quality check, we will send you the tracking number.

GUIDANCE

PLEASE READ CAREFULLY AND GO STEP BY STEP!

1 MEASUREMENTS:

Custom fit means that you can fully customize and adapt the measurements of the standard product to your wishes and create a custom cutting pattern. The custom fit program offers the ultimate customization possibilities to create truly unique and outstanding silhouettes. If you want to customize more than just the dimensions (e.g. delete or add pockets, combination of fabrics, ...), please note it below and include specific drawings with according measurements. If you already have cutting patterns for your piece, please attach them.

2 SIZE DISTRIBUTION:

Minimum order quantity is 75 pieces in total.

3 FABRIC:

Please provide the PANTONE TCX code for your preferred colorway. Additionally, you can choose from a variety of dyeing techniques. Please note that the minimum order quantity (MOQ) will increase. (The weight has a tolerance of 10% from the specified weight in grams per square meter (GSM).)

4 PACKAGING:

We can offer you packaging, however you need.
We also offer Fulfillment service, from our first contact to the product, already shipped to the customer.
